TRADE LIST

SEASON 1927-28

EXCLUSIVELY FOR
THE TRADE

Mosty Brothers Nurseries

Kerrville, Texas and Center Point, Texas

EVERGREENS OUR SPECIALTY

WE CARRY A STOCK OF
100,000 EVERGREENS

"WE GROW THE BEST A LITTLE BETTER"

INTRODUCTORY

This list cancels all previous quotations and is subject to change without notice and offered subject to stock being unsold.

TERMS: All contracts and agreements are made subject to loss of stock or failure of delivery due to weather conditions, strikes or other causes over which we have no control. All shipments travel at the risk and cost of purchaser. Terms cash from those who have not established their credit with us. Prices are net, 8 per cent interest charged after June 1st.

PACKING: All evergreens balled and burlapped except where noted otherwise. Car lots, or by truck, no charges for packing. Local freight or express shipments, add 20 per cent to list price; packing and crating at cost.

GRADING: Fruit trees graded by height without regard to caliper. In evergreens where the width is greater than the height, the spread will determine the grade. Most of our evergreens are pinched and pruned to develop stocky, well developed plants.

VARIETIES: Our varieties are true to name, mostly being grown from cuttings or grafted from choice plants and being grown in a soil rich in minerals, with good cultivation and constant care develop and color up well early in the fall. Due to our altitude and dry atmosphere our evergreens can be dug earlier in the fall and will stand transplanting better than those grown in a warmer and more humid climate. You will find our stock unexcelled in rich coloring, which indicates vigor and vitality.

GUARANTEE: We exercise the greatest care to have our trees and plants healthy and true to label. All stock is handled with utmost care. All plants are carefully dug and packed—in no way exposed in handling—shipped perfectly fresh from the field. Beyond this we have no control and the responsibility rests entirely with the purchaser.

We have the better class of evergreens for high class work in quantity such as Abelia, Euonymous, Feijoa, Laurocerasus, Ligustrum in variety, Nandina, Photinia, and the best varieties of Conifers such as Berckman's Dwarf Golden, Pyramidal, Bonita, Arbor Vitae, Italian Cypress, etc. Please note our pot grown stock, which balls very light, and no risk in handling. You more than save the difference of price in freight alone. We invite you to visit our nurseries and select your stock. We will appreciate your business and will give your order our personal attention, and with the most complete assortment of high class stock in the Southwest, we solicit and hope to merit your patronage.

Sincerely yours,

MOSTY BROTHERS.

Broad Leaved Evergreens

ABELIA GRANDIFLORA (Abelia Glossy):

All plants offered have been carefully pinched back, and are heavy, well filled plants. Suitable for placing in any landscape planting. All plants have heavy DARK GREEN glossy foliage. No yellow spots.

18 to 24 in. Medium, B&B, each	-----\$.60
24 to 30 in. Heavy, B&B, each	----- .75
30 to 36 in. Heavy, B&B, each	----- 1.00
3 to 4 ft. Heavy, B&B, each	----- 1.25

AUCUBA JAPONICA VARIEGATA (Golddust Aucuba):

8 to 12 in., B&B from 4-in. pots, each	---\$.50
--	-----------

BUXUS SEMPERVIRENS SUFFRUTICOSA (True dwarf box):

8 to 10 in. Nice Plants, B&B, each	-----\$.40
10 to 15 in. Compact, B&B, each	----- 1.00

CYDONIA JAPONICA (Double scarlet flowering quince):

18 to 24 in., B&B, each	-----\$.50
-------------------------	-------------

COTONEASTER:

C. Panosa (Silverleaf cotoneaster):

Foliage soft gray-green. Flowers white, followed by red berries in winter. Fast grower, willowy branches, very graceful.

18 to 24 in. Medium, B&B, each	-----\$.75
2 to 3 ft., Good Spread, B&B, each	----- 1.00
2 to 3 ft. Heavy, B&B, each	----- 1.25
3 to 4 ft. Heavy, B&B, each	----- 1.50
4 to 5 ft. Heavy, B&B, each	----- 2.00

C. Horizontalis (rock cotoneaster):

15 to 18 in., B&B, each	----- .75
18 to 24 in., B&B, each	----- 1.00
24 to 30 in., B&B, each	----- 1.25

ELAEAGNUS:

E. Fragrans Reflexa (bronze eleaegnus):

Stocky, spreading shrub. Slightly spiny. Leaves green, dotted with silver scales on upper surface and silvery beneath. Very hardy. Stands below zero without injury. All our Eleaegnus have been severely root pruned during the spring. They can be dug safely with lighter balls than ordinary field grown stock.

2 to 3 ft., well filled, sheared, B&B, each	\$1.25
3 to 4 ft., well filled, sheared, B&B, each	2.00

E. Pungens Simonsi (eleaegnus simonsi):

Same as reflexa, except faster grower and not so compact. These also are root pruned stock. Same grades and prices as reflexa.

ERIOBOTRYA JAPONICA (Loquat):

15 to 18 in. Medium, from pots, B&B, ea.	\$.60
18 to 24 in. Medium, from pots, B&B, ea.	.75
18 to 24 in. Med., field grown, B&B, ea.	.75
24 to 30 in. Med., field grown, B&B, ea.	1.00
3 to 4 ft. Heavy, field grown, B&B, ea.	2.00
4 to 5 ft. Heavy, field grown, B&B, ea.	2.50
5 to 6 ft. Heavy, field grown, B&B, ea.	3.00
6 to 7 ft. Heavy, field grown, B&B, ea.	3.50

EUONYMOUS:

E. Japonica (evergreen burningbush):

18 to 24 in. Well Branched, B&B, each	---\$.45
24 to 30 in. Well Branched, B&B, each	--- .50
30 to 36 in. Well Branched, B&B, each	--- .60
3 to 4 ft. Good Specimens, B&B, each	--- .75

MOSTY BROTHERS NURSERIES

E. Albo Marginatus (pearl edge euonymous):

15 to 18 in. Well Filled, B&B, each	-----\$.60
18 to 24 in. Well Filled, B&B, each	----- .75
24 to 30 in. Well Filled, B&B, each	----- 1.00

E. Aurea Variagatus (gold spot euonymous):

Same grades and prices as Marginatus.

E. Sieboldianus (spreading or winterberry euonymous):

18 to 24 in. Well Filled, B&B, each	-----\$.60
24 to 30 in. Well Filled, B&B, each	----- .75

E. Radicans Carrierrei (glossy wintercreeper):

Same grades and prices as Sieboldianus.

E. Erecta Compacta (columnar euonymous):

Erect globular form, dense and compact. Medium small dark green leaves. Fine for urns, etc. Very formal effect.

12 to 15 in. Good Form, B&B, each	-----\$.50
15 to 18 in. Good Form, B&B, each	----- .60
18 to 24 in. Good Form, B&B, each	----- .75
24 to 30 in. Good Form, B&B, each	----- 1.00

E. Nanus Pulchillus (dwarf euonymous):

Very small dark green foliage. Dwarf compact habit. Seldom grows higher than 15 inches. Very hardy.

6 to 10 in. Well Filled, B&B, each	-----\$.25
10 to 15-in. Well Filled, B&B, each	----- .40

FEIJOA SELLOWIANA (pineapple guava):

Leaves silvery green with whitish velvety growth on underside. Flowers purplish crimson. Greenish egg-shaped fruit with pineapple flavor. Spreading bush similar to lucidum in habit. Our stock has been well pruned and are compact. Also have been root pruned.

12 to 18 in. from 4-in. pots, B&B, each	----\$.40
18 to 24 in. Well Filled, field grown, B&B, each	-----\$.75
24 to 30 in. Heavy, B&B, each	----- 1.00
30 to 36 in. Heavy, B&B, each	----- 1.25
3 to 4 ft. Extra Heavy, B&B, each	----- 1.50
4 to 5 ft. Specimens, B&B, each	----- 2.00

GARDINIA FLORIDA (cape jasmine):

Everblooming variety. Blooms continuous from June to frost.

18 to 24 in. Medium, B&B, each	-----\$.75
24 to 30 in. Heavy, B&B, each	----- 1.00
30 to 36 in. Heavy, B&B, each	----- 1.25
3 to 4 ft. Specimens, B&B, each	----- 1.75

ILEX VOMITORIA (yaupon holly):

Shrub with spreading branches. Very small, dark green leaves. Small scarlet flowers. Followed by scarlet berries all winter.

18 to 24 in. Medium Spread, B&B, each	---\$1.00
2 to 3 ft. Good Spread, B&B, each	----- 1.25
3 to 4 ft. Heavy, B&B, each	----- 1.50

JASMINE HUMILE (italian jasmine):

This is a true evergreen. Very hardy dark green leaves. Yellow flowers in profusion during summer and fall.

18 to 24 in. Spread Medium, B&B, each	---\$.60
2 to 3 ft. Spread Heavy, B&B, each	----- .75
3 to 4 ft. Spread Heavy, B&B, each	----- 1.00

MOSTY BROTHERS NURSERIES

LAVENDULA VERA (lavender):

The true sweet lavender. Delightfully fragrant. Dwarf round form. Silver foliage.

12 to 15 in. Well Filled, B&B, each -----\$.60

15 to 18 in. Well Filled, B&B, each ----- .75

18 to 24 in. Well Filled, B&B, each ----- 1.00

24 to 30 in. Well Filled, B&B, each ----- 1.25

LAUROCERASUS:

L. Caroliniana (carolina cherry laurel):

Our plants have heavy dark green foliage. Are very compact. Also have been root pruned and can be safely moved with much smaller balls than ordinary field grown stock.

2 to 3 ft. Medium, B&B, each -----\$1.00

3 to 4 ft. Medium, B&B, each ----- 1.25

4 to 5 ft. Medium, B&B, each ----- 1.50

5 to 6 ft. Heavy Plants, B&B, each ----- 2.00

6 to 7 ft. Heavy Plants, B&B, each ----- 2.50

7 to 8 ft. Specimens, B&B, each ----- 3.00

8 to 10 ft. Specimens, B&B, each ----- 4.00

L. Officinallis (english cherry laurel):

30 to 36 in. Heavy Plants, B&B, each -----\$1.75

3 to 4 ft. Heavy Plants, B&B, each ----- 2.00

LIGUSTRUMS:

L. Amurense South (amoor privet):

3 to 4 ft. Good Spread, B&B, each -----\$.40

4 to 6 ft. Heavy, B&B, each ----- .60

6 to 8 ft. Heavy, B&B, each ----- .75

L. Japonicum Bushy (japanese privet):

3 to 4 ft. Well Branched, B&B, each -----\$.50

4 to 6 ft. Heavy, B&B, each ----- .75

6 to 8 ft. Heavy, B&B, each ----- 1.00

8 to 10 ft. Extra Heavy, B&B, each ----- 1.50

L. Japonicum (Standard) (japanese privet):

6 to 7 ft. Light Tops, B&B, each -----\$.60

7 to 8 ft. Light Tops, B&B, each ----- .75

7 to 8 ft. Medium Tops, B&B, each ----- 1.00

8 to 10 ft. Heavy, B&B, each ----- 1.25

L. Lucidum Compact Wax (griffing wax):

This is genuine griffing wax. Our plants have been carefully pruned and are very compact. Also the medium and larger grades have been root pruned. All stock offered has heavy dark green foliage. No pale colors offered.

8 to 12 in. from 4-in. pots, branched,
B&B, each -----\$.40

18 to 24 in. Field Grown, B&B, each ----- .75

24 to 30 in. Well Filled, B&B, each ----- 1.00

30 to 36 in. Field Grown, Heavy, B&B, ea. 1.25

3 to 4 ft. Field Grown, Heavy, B&B, ea. 1.75

L. Nepals (lucidum Nepalense):

The best of wax lucidums. More compact and more graceful habit than the Griffing wax. Has the same heavy waxy foliage which grows closer together on the plants. Same grades and prices as Compact Wax.

L. Ciliatum (acuminatum):

Medium small, round, dark green, glossy, heavy waxy leaves. Grows very compact. Nearest dwarf of the lucidums. Same grades and prices as Compact Wax.

MOSTY BROTHERS NURSERIES

L. Iwata:

Same as Ciliatum, except leaves are variegated with pale silver green marking in centers. Same prices and grades as Compact Wax.

L. Lucidum (black wax):

A stronger, more upright grower. Leaves larger, more pointed, and darker green on upper sides than Griffing Wax.

18 to 24 in. Well Filled, B&B, each -----\$.60

24 to 30 in. Well Filled, B&B, each ----- .75

30 to 36 in. Well Filled, B&B, each ----- 1.00

3 to 4 ft. Heavy, B&B, each ----- 1.25

4 to 5 ft. Heavy, B&B, each ----- 2.00

L. Graceful:

3 to 4 ft. Well Filled, B&B, each ----- \$1.50

4 to 5 ft. Heavy, B&B, each ----- 2.00

L. Crinkly Leaf:

Upright growth. Dark green pointed crinkly leaves. Heavy foliage set close together on branches. Same grades and prices as Graceful.

L. Albomarginatum (silveredge):

Same habit, but slower growth than the L. Japan. Leaves are green along center, and marked with pale green splotches which fade to a creamy color near the edges, which are silvery white. Same grades and prices as Graceful.

LEUCOPHYLLUM (White Leaf or Ceniza):

18 to 24 in., B&B, each ----- \$1.00

2 to 3 ft., B&B, each ----- 1.25

3 to 4 ft., B&B, each ----- 1.50

MAGNOLIA GRANDIFLORA (southern magnolia):

2 to 3 ft. Medium, B&B, each ----- \$1.00

3 to 4 ft. Medium, B&B, each ----- 1.50

4 to 5 ft. Branched, B&B, each ----- 2.00

5 to 6 ft. Heavy, B&B, each ----- 2.50

6 to 7 ft. Extra Heavy, B&B, each ----- 3.50

7 to 8 ft. Extra Heavy, B&B, each ----- 4.50

8 to 10 ft. Extra Heavy, B&B, each ----- 5.50

MAHONIA AQUIFOLIUM (oregon hollygrape):

12 to 18 in. Medium, B&B, each ----- \$1.00

18 to 24 in. Medium, B&B, each ----- 1.25

MYRTUS COMMUNIS (true myrtle):

From 4-in. Pots, B&B, each ----- \$.40

From 6-in. Pots, B&B, each ----- .60

From 8-in. Pots, B&B, each ----- .75

18 to 24 in. Field Grown, B&B, each ----- .75

MYRTUS COMMUNIS MICROPHYLLA (rosemary myrtle):

Same grades and prices as True Myrtle.

NANDINA DOMESTICA:

All plants offered have heavy foliage from the ground up. Well filled, vigorous, rich colored foliage on every plant. Our high, dry mountain air, together with cold nights, gives highly colored plants. We do not ship plants with BARE STEMS or pale foliage. We have the finest block of Nandinas growing in the United States, barring none. Can ship car lots of any or all grades listed.

6 to 8 in. from beds, bare roots, each ----- \$.15

8 to 10 in. from beds, bare roots, each ----- .20

6 to 9 in. field, single cane, B&B, each -- .50

MOSTY BROTHERS NURSERIES

9 to 12 in. field, single cane, B&B, each	_.65
12 to 15 in. field, single cane, B&B, each	_.75
15 to 18 in. field, single cane, B&B, each	1.00
18 to 24 in. field, single cane, B&B, each	1.25
24 to 30 in. field, single cane, B&B, each	1.50
12 to 18 in. two or more canes, B&B, ea.	\$1.00
18 to 24 in. two or more canes, B&B, ea.	1.25
24 to 30 in. two or more canes, B&B, ea.	1.50
30 to 36 in. two or more canes, B&B, ea.	1.75
3 to 4 ft. two or more canes, B&B, ea.	2.00
4 to 5 ft. two or more canes, B&B, ea.	2.50

PITTOSPORUM:

P. Tobira:

From 4-in. Pots, B&B, each	_____ \$.40
From 6-in. Pots, B&B, each	_____ .60
From 8-in. Pots, B&B, each	_____ .75
From 10-in. Pots, B&B, each	_____ 1.00
From 12-in. Pots, B&B, each	_____ 1.50

P. Tobria Variagatum (white spot pittisporum):

From 4-in. Pots, B&B, each	_____ \$.60
From 6-in. Pots, B&B, each	_____ .90
From 8-in. Pots, B&B, each	_____ 1.15
From 10-in. Pots, B&B, each	_____ 1.50
From 12-in. Pots, B&B, each	_____ 2.25

PHOTINIA:

P. Dentata:

Very hardy. Stands below zero temperature. Stocky upright, pyramidal habit. Large dark green glossy leaves, slightly spiny, and somewhat crinkled edges. Young growth colors highly late fall and early spring. Fine for high points in plantings. Very attractive.

18 to 24 in. Medium, B&B, each	_____ \$.75
24 to 30 in. Medium, B&B, each	_____ 1.00
30 to 36 in. Well Branched, B&B, each	_____ 1.25
3 to 4 ft. Well Branched, B&B, each	_____ 1.50
4 to 5 ft. Heavy, B&B, each	_____ 2.00
5 to 6 ft. Heavy, B&B, each	_____ 2.50
6 to 7 ft. Heavy, B&B, each	_____ 3.00

P. Serrulata (low photinia):

Same as dentata, except leaves are not spiny and plants are not as compact. Young growth also turns red late in fall and early spring. Same grades and prices as dentata.

PYRACANTHA (firethorn):

Weeping spreading bushes. Showy red berries during winter; hardy.

P. Crenulata—P. Lalandi:

P. Formosiana:

Dwarf spreading horizontal growth.

P. Yunnanesis:

Upright habit.

2 to 3 ft. from pots, B&B, each	_____ \$.75
---------------------------------	--------------

ROSMARINUS OFFICINALIS (rosemary):

Low dwarf grower. Silvery green color. The leaves very aromatic Hardy for hot, dry places.

12 to 15 in. Well Filled, B&B, each	_____ \$.60
15 to 18 in. Well Filled, B&B, each	_____ .75
18 to 24 in. Heavy, B&B, each	_____ 1.00
24 to 30 in. Heavy, B&B, each	_____ 1.25

RHUS LAURINA (evergreen sumac):

A native evergreen. Low compact growth, very hardy.

2 to 3 ft. Well Branched, B&B, each -----\$1.00

3 to 4 ft. Well Branched, B&B, each ----- 1.25

SANTOLINA (lavender cotton):

15 to 18 in. Spread, B&B, each -----\$.75

TAMARIX (articulata) (athel tree): evergreen tamarix:

3 to 4 ft. From Pots, B&B, each -----\$.60

THYMUS (english thyme):

Excellent for ground cover, low borders and hanging vases, etc. An evergreen.

12 to 15 in. Spread, B&B, each -----\$.40

15 to 18 in. Spread, B&B, each ----- .50

18 to 24 in. Spread, B&B, each ----- .60

VIRBURNUM:

V. Odoratissima (sweet viburnum):

18 to 24 in. Medium, B&B, each -----\$1.00

3 to 4 ft. Heavy, B&B, each ----- 2.00

4 to 5 ft. Heavy, B&B, each ----- 2.50

V. Rhytidophyllum (leatherleaf viburnum):

Hardiest of all evergreen viburnums. Very large dark green crinkled leaves. Copper colored on undersides of young leaves and young growth. Same prices and grades as Odoratissima.

V. Tinus (laurestinus):

Winter blooming evergreen shrub. Flesh colored flowers.

From 4-in. Pots, B&B, each -----\$.40

From 6-in. Pots, B&B, each ----- .60

From 8-in. Pots, B&B, each ----- .75

2 to 3 ft. Heavy Filled, B&B, each ----- 1.50

Conifers

All Arborvitae stock offered is grown from CUTTINGS. Transplanted several times. All uniform, well filled, field grown plants.

THUJA ORIENTALIS:

T. O. Aurea Nana (berckman's dwarf golden):

12 to 15 in. Medium, B&B, each -----\$.75

15 to 18 in. Medium, B&B, each ----- .90

18 to 24 in. Medium, B&B, each ----- 1.00

24 to 30 in. Will Filled, B&B, each ----- 1.50

30 to 36 in. Well Filled, B&B, each ----- 2.00

36 to 42 in. Heavy Compact, B&B, each -- 2.50

42 to 48 in. Heavy Compact, B&B, each -- 3.00

T. O. Aurea Conspicua (goldenspire):

2 to 3 ft. Medium, B&B, each -----\$1.50

3 to 4 ft. Medium, B&B, each ----- 2.00

4 to 5 ft. Good Spread, B&B, each ----- 3.00

5 to 6 ft. Good Spread, B&B, each ----- 4.00

6 to 7 ft. Heavy Specimen, B&B, each --- 5.00

T. O. Baker's Pyramidal (Baker's):

One of the best pyramidal arborvitaes.

18 to 24 in. Light, B&B, each -----\$.75

24 to 30 in. Medium, B&B, each ----- 1.00

30 to 36 in. Medium, B&B, each ----- 1.25

3 to 4 ft. Well Filled, B&B, each ----- 2.00

4 to 5 ft. Heavy Specimen, B&B, each -- 2.50

5 to 6 ft. Heavy Specimen, B&B, each -- 3.00

MOSTY BROTHERS NURSERIES

T. O. Pyramidalis (Armstrong's):

Stocky growth. Taller and more slender grower than the Baker's Pyramidal.

3 to 4 ft. Medium, B&B, each	-----\$1.50
4 to 5 ft. Medium, B&B, each	----- 2.00
5 to 6 ft. Well Filled, B&B, each	----- 2.50
6 to 7 ft. Heavy Specimen, B&B, each	-- 3.00
7 to 8 ft. Heavy Specimen, B&B, each	-- 3.50

T. O. Ramsey Hybrid:

A cross between arborvitae and Italian Cypress. Fast slender, upright, pyramidal grower. Very compact with age. Very hardy. Resistant to heat, cold and drouth. Foliage dark green glossy color. Finely divided drooping branchlets. Easy to transplant. The best pyramidal arborvitae grown.

3 to 4 ft. Medium, B&B, each	-----\$1.25
4 to 5 ft. Medium, B&B, each	----- 1.75
5 to 6 ft. Well Filled, B&B, each	----- 2.25
6 to 7 ft. Well Filled, B&B, each	----- 3.00
7 to 8 ft. Well Filled, B&B, each	----- 4.00
8 to 10 ft. Well Filled, B&B, each	----- 5.00

T. O. Bonita (dwarf globe):

Very compact dwarf habit. Almost round in shape. Dark green color.

12 to 15 in. Medium, B&B, each	-----\$.75
15 to 18 in. Medium, B&B, each	----- 1.00
18 to 24 in. Very Compact, B&B, each	-- 1.25
24 to 30 in. Very Compact, B&B, each	--- 1.75

T. O. Compacta (mayhaw compacta):

Same dwarf habit in growth as Aurea Nana. Dark green color at all times.

18 to 24 in. Medium, B&B, each	-----\$.75
24 to 30 in. Well Filled, B&B, each	----- 1.00
30 to 36 in. Well Filled, B&B, each	----- 1.25
3 to 4 ft. Heavy, B&B, each	----- 1.75

T. O. Glauca Compacta (bluegreen):

Same color and habit in growth as Rosedale. Foliage has flat leaf. Stands up well for many years. Very desirable for color effect.

18 to 24 in. Well Filled, B&B, each	-----\$.75
24 to 30 in. Well Filled, B&B, each	----- 1.00

T. O. Texana Glauca (Texas blue):

Tall upright grower, rather open. Blue green.

2 to 3 ft. Medium, B&B, each	-----\$.75
3 to 4 ft. Medium, B&B, each	----- 1.00

T. O. Chinese Seedlings (not cutting grown):

Natural growth. Not sheared plants.

4 to 5 ft. Medium, B&B, each	-----\$.50
5 to 6 ft. Medium, B&B, each	----- 1.00
6 to 8 ft. Heavy, B&B, each	----- 1.25
8 to 10 ft. Heavy, B&B, each	----- 1.50

CUPRESSUS (cypress):

C. Arizonica (arizona cypress):

All stock offered have been grown in pots. This absolutely insures against loss in moving. Also saves freight, being light in weight. Our stock has been culled several times, and we offer only specimen plants of silvery color.

18 to 24 in. From Pots, B&B, each	-----\$.75
24 to 30 in. From Pots, B&B, each	----- 1.00
30 to 36 in. From Pots, B&B, each	----- 1.50
3 to 4 ft. From Pots, B&B, each	----- 2.00
4 to 5 ft. From Pots, B&B, each	----- 2.50

MOSTY BROTHERS NURSERIES

C. Italian Royalli (royal italian cypress):

Our pot grown stock insures you against loss in moving. Being light weight balls, you save enough in freight to make our plants come as cheap as field grown stock usually offered the trade. All pot grown plants are cutting grown.

15 to 18 in. From Pots, B&B, each	-----\$.50
18 to 24 in. From Pots, B&B, each	----- .60
24 to 30 in. From Pots, B&B, each	----- .75
30 to 36 in. From Pots, B&B, each	----- 1.00
3 ft. From Pots, B&B, each	----- 1.25
4 ft. From Poes, B&B, each	----- 1.50
5 ft. From Pots, B&B, each	----- 2.00
6 ft. From Pots, B&B, each	----- 2.50
7 ft. From Pots, B&B, each	----- 3.00

C. Italian Pyramidalis (columnar italian cypress):

Field grown.—Our field grown stock has been severely root pruned. We can ship these with much lighter balls with safety than ordinary field grown stock.

18 to 24 in. Field Grown, B&B, each	----\$.50
24 to 30 in. Field Grown, B&B, each	---- .75
30 to 36 in. Field Grown, B&B, each	---- .90
3 ft. Field Grown, B&B, each	----- 1.00
4 ft. Field Grown, B&B, each	----- 1.25
5 ft. Field Grown, B&B, each	----- 1.50
6 ft. Field Grown, B&B, each	----- 2.00
7 ft. Field Grown, B&B, each	----- 2.50
8 ft. Field Grown, B&B, each	----- 3.00
9 ft. Field Grown, B&B each	----- 3.50
10 ft. Field Grown, B&B, each	----- 4.00

C. Horizontalis (spreading italian cypress):

4 ft. Field Grown, B&B, each	-----\$1.25
5 ft. Field Grown, B&B, each	----- 1.50
6 ft. Field Grown, B&B, each	----- 2.00
7 ft. Field Grown, B&B, each	----- 2.50
8 ft. Field Grown, B&B, each	----- 3.00

C. Torulosa Magestica (lofty cypress):

Tall pyramidal tree. Light green color. Finely divided foliage with drooping branchlets.

30 to 36 in. Heavy, B&B, each	-----\$1.25
3 to 4 ft. Heavy, B&B, each	----- 1.50
4 to 5 ft. Heavy, B&B, each	----- 2.00

C. Lawsoniana Alumi (scarab cypress):

Growth like compact arborvitae. Silver gray.

18 to 24 in. Medium, B&B, each	-----\$1.00
24 to 30 in. Medium, B&B, each	----- 1.25

RETINOSPORA Leptoclata (audley retinospora):

Dense round headed bush with bluish green color, changing to bronze or steel color in winter. Hardy.

18 to 24 in. Well Filled, B&B, each	-----\$1.00
24 to 30 in. Well Filled, B&B, each	----- 1.25
30 to 36 in. Well Filled, B&B, each	----- 1.50

PINUS Halepensis (allepo pine):

A tall quickly growing pine, very drought-resistant. Foliage a very pleasing shade of green. The only pine that will thrive well in our hot, dry climate.

2 to 3 ft. Medium Branched, B&B, each	---\$2.00
3 to 4 ft. Medium Branched, B&B, each	--- 2.50
4 to 5 ft. Well Branched, B&B, each	--- 3.00

MOSTY BROTHERS NURSERIES

CEDRUS:

C. Deodara (deodor cedar):

Heavy well filled plants from the ground up.
True silvery color.

30 to 36 in. Good Spread, B&B, each	----\$2.00
3 ft. Good Spread, B&B, each	----- 2.50
4 ft. Good Spread, B&B, each	----- 3.00
5 ft. Good Spread, B&B, each	----- 4.00
6 ft. Heavy, B&B, each	----- 5.00
7 ft. Heavy, B&B, each	----- 6.00

C. Atlantica (atlas cedar):

Same as Deodara except being dark green color. Prices and grades same as Deodara.

JUNIPERUS:

J. Tamariscifolia (tamarix savin juniper):

Dwarf slow grower. Horizontal trailing habit.
Dark green foliage.

15 to 18 in. Spread Medium, B&B, each	--\$1.25
18 to 24 in. Spread Medium, B&B, each	-- 1.50
2 to 3 ft. Spread Heavy, B&B, each	----- 2.00
3 to 4 ft. Spread Heavy, B&B, each	----- 2.50

J. Chinensis Procumbens (chinese juniper):

Dwarf slow grower. Trailing right on ground.
Foliage short and compact. Shiny silvery green color. Same grades and prices as Tamariscifolia.

J. Pfitzeriana (pfitzer juniper):

Horizontal graceful branches. Very low but not trailing. Smooth foliage of soft bluish green color. The best of the dwarf junipers.

15 to 18 in. Spread, Medium, B&B, each	--\$1.00
18 to 24 in. Spread, Medium, B&B, each	-- 1.25
2 to 3 ft. Spread, Medium, B&B, each	----- 1.50
3 to 4 ft. Spread, Heavy, B&B, each	----- 2.00
4 to 5 ft. Spread, Heavy, B&B, each	----- 2.50

J. Sabina (savin juniper):

Dwarf habit. Branches from ground semi-prostrate. Plants being somewhat lower in centers. Dark green foliage. Same grades and prices as Pfitzer.

J. Sabina Prostrata:

Dwarf compact, trailing habit. Smooth green foliage with a soft bluish cast. Does not turn brown in winter. Same grades and prices as Pfitzer.

J. Tripartiti (three parted juniper):

An excellent semi-prostrate juniper. Growth and habit similar to Pfitzer. Same grades and prices as Pfitzer.

J. Communis Depressa:

Dwarf grower. Same shape as Sabina. Shiny light green leaves with white streak on upper side, which gives plant very desirable color effect. Same grades and prices as Pfitzer.

J. Hybernica (irish juniper):

Slow dwarf grower. Upright pyramidal, slightly spreading. Color same as Communis Depressa.

15 to 18 in. High, Medium, B&B, each	--\$1.00
18 to 24 in. High, Medium, B&B, each	-- 1.25
24 to 30 in. High, Medium, B&B, each	-- 1.75
30 to 36 in. High, Medium, B&B, each	-- 2.00

J. Excelsa Stricta (shiny greek juniper):

Very slow dwarf grower. Upright compact conical habit. Foliage compact, shiny light green color.

15 to 18 in. High, B&B, each	-----\$1.25
------------------------------	-------------

MOSTY BROTHERS NURSERIES

18 to 24 in. High, B&B, each	1.50
24 to 30 in. High, B&B, each	2.00

J. California Glauca (Calif. juniper):

Medium grower. Upright pyramidal. Pale green foliage in centers and silvery blue green on outside of plants.

24 to 30 in. High, Medium, B&B, each	\$1.50
30 to 36 in. High, Medium, B&B, each	2.00
3 to 4 ft. High, Medium, B&B, each	2.50

J. Virgiana Glauca (blue virginia cedar):

Our stock is grafted true type. Glaucous blue.

3 to 4 ft. High, B&B, each	\$4.00
4 to 5 ft. High, B&B, each	5.00

J. Scopulorum (hills silver juniper):

Similar in growth and habit to Arizona Cypress. Transplants much easier than cypress.

2 to 3 ft. High, Well Branched, B&B, ea.	\$1.50
3 to 4 ft. High, Well Branched, B&B, ea.	\$2.00
4 to 5 ft. High, Well Branched, B&B, ea.	2.50
5 to 6 ft. High, Well Branched, B&B, ea.	3.00

PALMS:

Cocos Austrailis (pindo palm):

Pinnate leaves, grayish green, gracefully arched and recurved. Very hardy.

12 to 18 in. Field Grown, B&B, each	\$1.00
18 to 24 in. Field Grown, B&B, each	1.50
2 to 3 ft. Field Grown, B&B, each	2.00
3 to 4 ft. Field Grown, B&B, each	2.50

Chamaerops Excelsa (windmill palm):

Tall trunk. Leaves fan shaped, deeply cut.

Hardy. Same grades and prices as Cocos.

Phoenix Canarensis (ornamental date palm):

Leaves long pinnate, rich green color. Same grades and prices as Cocos Austrailis.

Washingtonia Filifera (calif. weeping palm):

Tall trunk, yellowish green. Fan shaped leaves, with numerous white thread like filaments. Hardy.

From 8-in. Pots, B&B, each	\$.50
3 to 4 ft. Field Grown, B&B, each	1.00
4 to 5 ft. Field Grown, B&B, each	1.50
5 to 6 ft. Field Grown, B&B, each	2.00

Sabal Texana (texas palmetto):

Slow grower. Hardest of palms. Large fan shaped leaves. Same grades and prices as Washingtonia Filifera.

Deciduous Bare Root Stock

ORNAMENTALS:

Lagerstreemia (crepe myrtle):

Red, pink, and lavender colors.

2 to 3 ft. Well Branched, each	\$.10
3 to 4 ft. Well Branched, each	.15
4 to 5 ft. Well Branched, each	.20

Ceris Reniformis (Texas redbud):

Same prices as crepe myrtle.

Punica (pomegranite):

2 to 3 ft. Heavy, each	\$.15
3 to 4 ft. Heavy, each	.20

Vitex Agnus Castus (chaste tree):

Star shaped leaves. Pale blue flowers. Same prices as pomegranite.

Spirea Reevesiana (meadow sweet):

Double flowered bridal wreath.

2 to 3 ft. Heavy, each	\$.15
